The above results include 20% more candidates than the actual number of vacancies. The purpose of calling 20% candidates over and above the number of vacancies at the time of documents verification is primarily to avoid shortfall in the panel and that merely calling a candidate for documents verification does not, in any way, entitle him to an appointment in the railways.

While every care has been taken in preparing the above results, the possibility of inadvertent errors cannot be ruled out. This Board does not undertake responsibility for such errors and reserve the right to rectify the same later on. The results can be seen in website: www.rrbjammu.nic.in
